A STRONG VOICE FOR ALL 137 MANITOBAN MUNICIPALITIES

Throughout his distinguished career in policing, public service and municipal government, Loren has earned a reputation as a collaborative, team-building leader. His experience as Reeve and AMM Board Director has given him a strong understanding of the challenges facing all 137 Manitoba municipalities, including:

- ✔ **Public Safety:** Rising policing costs and growing community safety concerns.
- ✔ **Infrastructure:** Aging municipal infrastructure, inadequate funding for potable water and wastewater projects, and insufficient provincial road and drainage maintenance.
- ✔ **Provincial Funding:** The need for predictable, sustainable, long-term funding that keeps pace with inflation.
- ✔ **Disaster Management:** Flooding, extreme weather events and the need for timely Disaster Financial Assistance funding.
- ✔ **Taxation:** Reform of provincial property assessments and school tax collection.
- ✔ **Provincial Downloading:** Decreasing provincial support and budget pressures placed on municipalities.
- ✔ **Healthcare:** Doctor recruitment and access to healthcare in our communities.
- ✔ **Agriculture:** Rising input costs, taxation, disaster management and drainage challenges affecting producers and rural communities.

Loren understands these challenges and is committed to providing strong, experienced and collaborative leadership to advocate for all Manitoba municipalities.

TESTIMONIAL:

"Loren is a well-respected, knowledgeable municipal leader. His collaborative professional leadership style would be a positive addition to the AMM executive team."

– Brad Saluk, former AMM Vice President
