Province Invites Applications For Building Sustainable Communities Grants

"The Association of Manitoba Municipalities (AMM) commends the Province of Manitoba for continuing to invest in our communities through the Building Sustainable Communities program. As municipalities look to recover from the COVID-19 pandemic, the BSC program is essential to promote economic development and build stronger communities throughout our province." - Kam Blight, President, AMM

The deadline to apply for the 2022-23 Building Sustainable Communities program is **Jan. 17, 2022**. For more information about the program or to submit an application, visit <http://manitobago.ca>

Register for MB Water Strategy Engagement Sessions

Each session will include background information on water issues in Manitoba, theme-specific presentations by a panel of experts, as well as Q&A and discussion on the desired actions, outcomes, and measurables that should be included in the Province's water strategy.

The four virtual sessions - all from 1:00 pm to 4:00 pm on Zoom - are scheduled as follows:

- [January 13 - Agriculture and Agri-Food](#)
- [January 19 - Community and Economic Growth](#)
- [January 25 - Environment and Ecosystem Services](#)
- [January 27 - Infrastructure and Resilience](#)

RSVP your attendance, or that of your representative(s), for one or multiple sessions by **January 10, 2022**.

For questions and more information, please email: water@emilicanada.com or David Hay at 204-945-7096

Transport Canada Website - Grade Crossings Regulation Links

In direct response to AMM advocacy efforts and our members' concerns, Transport Canada announced amendments to the Grade Crossings Regulations in 2021. These amendments were recently formally approved and updates to Transport Canada's website have been made to help stakeholders learn about how the changes may affect them.

For more information outlining the recently approved changes to Canada's, please see the following links:
