## Municipal Climate Internship Program

**Environmental  
Leadership  
Canada**

Environmental Leadership Canada is looking to recruit host municipalities for their Municipal Climate Internship program.

Municipal hosts are responsible for providing interns with:

- meaningful work related to environmental or climate priorities
- a supervisor to oversee their work and offer guidance
- opportunities to experience the municipal political process (e.g. attend council meetings)
- political mentorship in the form of a councillor or the mayor/warden assigned to the intern

ELC asks municipal hosts for a financial contribution of \$3,000 and to cover the WSIB or WCB costs for the intern (if needed). If the financial contribution is a barrier to participation, we are flexible and can discuss this on a case-by-case basis.

Applicants can apply by submitting an [expression of interest](#) by **Sept. 25, 2025**.

## The 2025 Manitoba Watersheds Conference is Here!

**Manitoba Association of Watersheds** is excited to announce that registration is now open for the **2025 Manitoba Watersheds Conference**, where we will focus on the accomplishments and successes of 50 years of Watershed District Programming in Manitoba.

The conference offers an opportunity for watershed district staff and board members to engage with industry professionals, decision-makers, businesses, and one another. It provides a platform for celebrating successes, fostering community building, staying connected to new and emerging practices, promoting education, and advocating for the protection of our water resources.

## 2 Billion Trees Program

The Province of Manitoba is excited to partner with the Government of Canada's 2 Billion Tree Program (2BT).

Urban tree planting efforts in municipalities and communities enhances tree cover and provides more shade (reducing summer cooling costs), captures storm runoff, and provides wind protection as well as air filtration.

As part of the 2BT program, we want to provide communities with free potted trees to plant on public properties. Those interested would be responsible to plant and water the trees once delivered to your community. Once the trees are planted, we will send out our staff to map the trees and share the points with Natural Resources Canada (NRCAN).

We have trees available this year for communities interested in planting.

Email [Steven.Hunter@gov.mb.ca](mailto:Steven.Hunter@gov.mb.ca) or [Jackie.Kaluzny@gov.mb.ca](mailto:Jackie.Kaluzny@gov.mb.ca) to get a list of available trees.

To request more information about the 2BT program, municipalities and communities can contact the Provincial Treeline: [treeline@gov.mb.ca](mailto:treeline@gov.mb.ca).

### Ice Facility Operator Course

A regulatory project to introduce “Ice Facility Plants” into the Power Engineer Regulation has introduced a new licence for Ice Facility Operators, while expanding the role of 5<sup>th</sup> class power engineers to act as shift engineers in Ice Facility Plants.

Although the regulation does not mandate the completion of training courses, Red River College Polytech has introduced a new **IFO Training Course**. For more information please visit: [Trades Qualification - Course Dates and Fees :: RRC Polytech Program & Course Catalogue](#)

RRCP has also advised that a new Refrigeration training course to support individuals seeking the Refrigeration Operator licence is also under development and should be available in the new future.

### Tire Specials for AMM members

**MICHELIN® X SNOPLUS® M+S**  
GET ALL THE BENEFITS OF MICHELIN®  
RADIAL TIRE TECHNOLOGY!

**WITH THE MICHELIN® X SNOPLUS® M+S,  
YOU WILL GET:**

- All-season use with exceptional treadwear and traction
- Excellent maneuverability on ice and snow
- Minimal chain usage

MSPN	Description	Rebate
53173	14.00R24 X SNOPLUS M+S	-\$250
99466	17.5R25 X SNOPLUS M+S	
62408	20.5R25 X SNOPLUS M+S	
74539	23.5R25 X SNOPLUS M+S	

*\* Rebate will be applied directly to price on invoice \**

The all-season MICHELIN® X SNOPLUS® M+S designed for use on graders and loaders or cranes where exceptional traction on snow and ice is required.

**Exceptional Performance:**

- Excellent traction and flotation; outstanding stability; enhanced operator comfort; designed for optimized vehicle performance

**Excellent Productivity:**

- Resistance to impacts and cuts means fewer flats

**Low Operating Costs:**

- Long-lasting, even-wearing tread pattern; durable with low rolling resistance for efficient fuel economy; easy to repair

**THE TIRE OF CHOICE FOR:**

GRADERS  
LOADERS

**All-Season Use**  
The wide, non-directional tread design makes this a great tire for year-round use.

**Drastic Reduction in Flats**  
The Michelin all-steel casing design reduces flats compared to traditional bias-ply tires.

**Exceptional Traction on Ice and Snow**  
The special rubber compound and aggressive lug design with added sipes provide maximum maneuverability in winter conditions and minimizes the need for chains.

**Proudly Made in Canada**  
(Waterville, Nova Scotia)  
\*except 23.5R25

The XSnoplus Fall Campaign running from September to end of December 2025 provides a rebate of \$250 per tire on all 4 sizes of our XSnoplus Grader / Loader tire. Please note, the rebate will be applied directly to the price on the invoice (so no credits on a separate invoice). This means that instead of the Regular Invoice Price, there will be a Special Invoice Price during this time.

SPECIAL REPORT:

## Standing Up for Canada

PM40065073 - Return Undeliverable Items To Association of Manitoba Municipalities, 1910 Saskatchewan Avenue West, Portage la Prairie, MB R1N 0P1

**PLUS** Special Message  
from Premier Wab Kinew |  
2025 Spring Convention Recap

THE MAGAZINE OF

Association of  
Manitoba Municipalities

Dive into the latest issue of Municipal Leader, where this season's theme, "Standing Up for Canada," takes center stage. As tariff tensions continue to ripple across the country, this timely edition highlights how Manitoba and leaders are defending Canadian interests, supporting local economies, and standing strong for fair trade. From policy insights to on-the-ground stories, this issue is a powerful reminder of the importance of resilience, unity, and leadership

in challenging times.
