## Resolution Categories

The following categories shall apply to all resolutions submitted for consideration by the Association of Manitoba Municipalities at either the Annual Convention or the District Meetings.

### Category 1: Municipal Issues

Category 1 resolutions are resolutions whose outcome has the potential to impact a majority of municipalities. It is possible that the outcome of a Category 1 resolution might not immediately impact all municipalities, but the outcome has the potential to impact a majority of municipalities. This impact may be direct or indirect. Examples of areas of influence of Category 1 resolutions include direct changes to legislation that govern municipalities, such as The Municipal Act, changes to direct funding to municipalities, such as the Provincial-Municipal Tax Sharing Agreement, or more indirect changes to government programs that might impact municipalities, like a change in the Provincial drainage program.

### Category 2: Local or Regional Municipal Issues

Local or regional issues are those that affect one region or only a small number of municipal governments. Resolutions in this grouping will be presented at the District Meetings; however, they will not be submitted for consideration at the Annual Convention. A resolution in this category, if passed at the District Meeting, will be dealt with by the Board of Directors as they see fit.

### Category 3: Non-Municipal Issues

Non-municipal issues do not affect municipal governments.

Resolutions in this grouping will not be presented at the District Meetings or the Annual Convention; instead, they will be dealt with by the Board of Directors as they see fit.

\*\*\* Consideration should be given to whether there are other organizations better equipped to deal with issues than the AMM.
