

DELMER NOTT

Committed, Experience and Forward Thinking

Just to have my name stand as AMM Interlake Director is an honour. Married to Denise for almost 49 years we are the 3rd generation of Nott's to raise a family on our farm along the Assiniboine River. We have two grown children that both have set up residence in the RM and have close connection to the home farm and our Metis roots.

We are both retired but continue to operate a Saskatoon U-pick and a cow/calf operation.

I have always been active in my community and surrounding area donating my time and sitting on Community Clubs, Sports Associations and other local groups in order to help improve our communities for tomorrow and for our youth now and future. In the mid-eighties, I did 2 terms as Ward 4 Councillor in the RM of St. Francois Xavier. In 2014, following discussion with my family, it was decided I would run for Council again. So, I pushed my refresh button and was successful in my return to Council chambers. Some referred to me as a "retread," but I assure you it was a "refresh"! 2014 to 2018 Councillor Ward 4; 2018 to 2022 Councillor Ward 4/ Deputy Reeve; Election 2022 Reeve.

It is important to listen to the concerns brought forward, to have an open mind, understand the issue, make an informed decision and respond in a timely matter. We are in challenging times however there are bigger challenges ahead and we need to work ahead of these challenges so we are better prepared to meet them head on with a plan of action and the tools in our box.

Being a lifelong resident in the Interlake District we share a lot of similar experiences, concerns and issues which will make it easier to learn from one another.

I am committed to working with the Interlake District municipalities, towns and Cities and the AMM to help bring our concerns to the forefront during discussions with other levels of government and work towards resolving the issues facing us now and challenges we will face going forward.

I thank you for your time and ask for your support and your vote on Tuesday, November 29 during the AMM Interlake District election, which is scheduled to be done virtually with the Interlake District election presently scheduled for 4pm.

The best preparation for tomorrow is doing your best today!

Thank you,
Delmer
