I respectfully ask for your support and vote.

Marvin Plett Councillor, City of Winkler

"I have had the absolute pleasure to work along side Marvin Plett as a Winkler City Councillor. He continuously advocates for the communities he represents. He is always looking for ways to connect people, to help build strong relationships. Marvin has a wealth of knowledge when it comes to the world of municipal government and he would be a wise choice to add to your AMM Board." Karina Bueckert – Winkler Councillor (2018-2022)

"Marvin has served on Winkler Council for 24 years and has a real interest in municipal policy issues. I served on the FCM board of directors with Marvin and observed his passion and ability to communicate an advocate for improvements in municipal governments. His ability to connect with people is a real strength. He is honest and trustworthy. Marvin will make a great AMM board member." Ralph Groening AMM Past President

Marvin Plett

Councillor
City of Winkler, MB
