

RON RYZ

Director For The
Parkland Area

My name is Ron Ryz and I am seeking election for the AMM Parkland District Director.

I have served the RM of Dauphin as Deputy Reeve, Reeve and presently as Councillor. Along with my wife, my son and his wife, we operate a grain and oil seed farm. I am passionate about local history and I serve as a board member with Fort Dauphin Museum. For the fun side of things and for fellowship, I enjoy K40 supper meetings.

Throughout my time as an elected official, I have identified several areas of concern in the Parkland. Some topics that I look forward to advocating for are water management, rural crime prevention, importance of potable water, job creation, partnerships and connectivity. I would carry forward any issues or concerns that impact the Parkland. It would be an honour for me to serve you as a AMM Director for the Parkland District.
