## AMM INTERLAKE DISTRICT DIRECTOR

Professional  Dedicated

I am seeking your support and your vote in the upcoming District Director By-Election for the Interlake being held on Tuesday, November 29th at 4:00pm. All eligible voters can attend the Interlake District election virtually via Zoom.

I have enjoyed living in the Town of Stonewall for almost 30 years and have given back to my community in a variety of ways.

I served as an elected Stonewall Councillor for the 2014-2018 term and during that time I was elected to serve for the Interlake District on the Resolutions Committee. I am honoured to have been recently elected as Mayor for the Town of Stonewall in the 2022 Municipal Election.

I have shown my dedication and commitment as a community leader in our region in various volunteer capacities over the years, including:

- Southwest District Palliative Care, current Board Chair
- Interlake Community Foundation, current Director at Large
- Save the Kilns Committee member
- Community Living Interlake/Something Beautiful, past Board Chair

- Quarry Days Committee, past member and treasurer
- South Interlake Regional Library, past council appointed citizen representative

I also enjoy being involved in the community through various memberships and in fundraising initiatives for organizations such as the Stonewall Royal Canadian Legion Branch #52, Order of the Eastern Star, South Interlake Garden Club, South Interlake 55+, Relay for Life and the Winnipeg Pet Rescue Shelter to name a few.

I was employed with one of the province's top legal firms for 28 years before moving on to work in the Manitoba Legislature as Chief of Staff for Ministers Eichler and Johnston in the portfolios of Economic Development and Training/Jobs, Agriculture and Resource Development and Seniors and Long-Term Care. These positions have provided me the opportunity to build strong relationships and connections that will be beneficial in my role as an advocate for the AMM and in particular, the Interlake District.

If elected, I will be committed to serving as a relationship-based District Director who will act in good faith and in the best interests of AMM and the Interlake District.
