

WES TAPLIN

DIRECTOR FOR INTERLAKE DISTRICT

I am 56 years old and have been Reeve for the RM of Rockwood since 2018. I am a lifetime resident of the RM of Rockwood. I am a proud 4th generation Taplin. The original farmstead lies a half mile away from where I currently live which was established in 1888. My respect of agriculture came early. My father, Fred, owned Argyle Transfer for 35 years; we hauled livestock from all corners of the municipality and the Interlake Area. I am currently on my second term as Reeve. I have 2 daughters who work in the IERHA, both residing in the Town of Stonewall with their spouses and my 3 grandchildren.

- * The Chair of the South Interlake Planning District (SIPD)
- * Director with the Winnipeg Metropolitan Region.

Given the opportunity, I look forward to representing all municipalities in the Interlake District. I will make my voice – your voice.
