

COMMITMENT, INTEGRITY, VISION, DESIRE

Hi I am Delmer Nott the Reeve of the beautiful and historic RM of St. Francois Xavier. I am a life long resident of the RM. I have always been active in our community. I have sat on Community Clubs, Sports Associations and other local groups in order to help improve our communities for tomorrow and for our youth of the future.

In 1980 I was elected Councillor in Ward 4 and was re-elected in 1983. During those terms I served on various committees; Transportation; Drainage; Finance and Portage la Health Board to name a few.

Following this I turned to coaching hockey, both male and female, baseball and served several years on the Portage Minor Hockey Board including several terms as President I have always remained steadfast in my desire to help serve our community and have lead by example to help others and teach my kids about the importance of community.

In 2014 I let my name stand for Councillor and was elected. In 2018 re-elected Councillor but was also chosen by my peers to be Deputy Reeve. In 2019 I retired from the Department of Justice, after over 30 years so in 2022 decided to let my name stand for Reeve and was successful, an honour in all ways. In January 2023 I received the Queen Elizabeth II Platinum Jubilee Medal honouring significant contributions and achievements to the service of family, community and country, an honour we will never forget and a road we will continue to follow.

Family is and will always be my priority they give me my strength, if it wasn't for their love and support I would not be where I am. I have been married to the same great person, Denise, for over 51 years, talk about commitment, don't know how she does it. We have 2 grown children with their own families who live within 15 minutes of us. We also run a small cow/calf operation together, we are a close family. We camp, fish, hunt, horse back ride, and do holidays together.

Whether it is attending or volunteering at events, attending meetings or conferences I believe you need to put yourself out there. Networking can be the key to success when combined with hard work and persistence. You can no longer look at being a leader of tomorrow if you cannot be a leader of today.

In life It is important to listen to concerns, to have an open mind in order to clearly understand other people's issues and solutions. I am committed to working with the Interlake District rural municipalities, towns and cities using these same principles along with ensuring transparency. I will take your concerns to the forefront of the AMM, Manitoba Provincial Government and the Federal Government. During these discussions we will need to work from a solution based position and not a why we can't do it approach,

I am asking for your vote to serve on the AMM as your Interlake Director. I bring a variety of experiences and support from Council, Community and most importantly family. I have a proven passion and dedication in all three of these areas and will bring this to my position as your AMM Interlake Director.

COMMITMENT, INTEGRITY, VISION, DESIRE

WHY NOT. VOTE NOTT

Election June 11 at 9:30 A.M.

125 Sutherland Ave. | Oak Point Community Hall | Oak Point , MB
