

CORPORATE MEMBERSHIP

This outline is to introduce you to the importance of becoming a Corporate Member with the Association of Manitoba Municipalities (AMM), an organization representing all 137 municipalities in Manitoba.

We invite both commercial and non-profit organizations to become AMM Corporate Members. Corporate membership enables you to communicate with people who influence or make purchasing decisions for their municipalities, elected officials, administrative officers and public works officials. Manitoba municipalities spend millions of dollars on products and services each year.

By working with the AMM, you are guaranteed the best possible access to the municipal market!

BENEFITS

There are many benefits to becoming an AMM Corporate Member, including:

Publications

- You will receive a complimentary subscription to [The Municipal Leader](#), a quarterly magazine read by more than 2,000 municipal officials, administrators and others involved in municipal government.
- You will also receive the AMM News Bulletin, our bi-weekly update on AMM activities and events.

Municipal Events

The AMM holds two major all member events each year:

Fall Convention: Held each November, this event provides you with an opportunity to make valuable business contacts. You will be given an opportunity to sponsor, obtain space at the Display Area during Convention, or register as an observer.

Spring Convention and Trade Show – The program of each April's Convention focuses on policy and professional development for municipal officials. The Trade Show is the largest municipal trade show held in Manitoba, with over 100 exhibitors. You may also wish to bring your organization into the spotlight by sponsoring, registering as an observer or booking space at the Trade Show.

For more information or to become a Corporate Member, please contact
